

Capella Hardware Co.

wholesale of hardware and accessories for closets and cabinets

Welcome! Capella Hardware is a supplier of closet and cabinet hardware and accessories. We've expanded our factories in Taiwan and China and have opened up a distribution center in New Jersey, so that we can better service our customers from coast to coast. We'd like to thank everyone for all of their support.

For the past fifteen years, we have been manufacturing, importing, and distributing our products throughout the United States. Because we have direct control over each of these steps in the supply chain, we are able to both ensure the quality of our products as well as pass on the savings straight to our customers.

This catalog will provide you with product and ordering information. Please don't hesitate to call us at our toll free number 1.888.658.5758 during regular office hours (8:30 AM - 4:00 PM PST), or visit our website at www.capellahardware.com
